Certifications & Compliance Overview

	SBA Certified SDVOSB & VOSB Solid Path Print Supply LLC has SBA documentation confirming certification as a Service-Disabled Veteran-Owned Small Business (SDVOSB) and Veteran-Owned Small Business (VOSB). This packet uses the certification status without displaying effective-date language in the customer-facing overview.
UEI	Unique Entity ID: KVVZBBRQFCG5 Use this value when matching vendor records in SAM.gov, purchasing systems, and onboarding forms.
SAM.gov	Status for customer-facing packet: SAM.gov Fully Registered. Action: attach a current active SAM.gov entity registration record or screenshot before sending the packet. The uploaded UEI document appears to be an earlier UEI-only record, so it should not be used as proof of active SAM.gov registration.
W-9	Action: attach the signed IRS Form W-9 before sending this packet to a customer or procurement office.

Do not include distributor invoices in the vendor packet. If a buyer requests supply-chain evidence, respond case-by-case with appropriate documentation that does not disclose sensitive distributor pricing or private supplier arrangements.

Vendor Onboarding Checklist

Use this checklist before sending the packet to a new purchasing department or agency. The packet is designed to be clean and customer-facing, while keeping sensitive supplier details and static pricing out of the standard packet.

Item	Purpose	Status

Product & Pricing	Handled through quote/product lookup form to keep pricing current.	Separate fillable form

Product & Pricing Workflow

Static price sheets age quickly and can create confusion when cartridge models, compatible alternatives, shipping locations, or quantities change. A product lookup / quote request workflow is a better fit for SolidPath Print Supply.

Recommended Website Page: Product & Pricing Lookup

- **Page URL suggestion:** solidpathprintsupply.com/product-lookup.html or solidpathprintsupply.com/quote.html
- **Customer inputs:** organization, contact, printer make/model, cartridge number or SKU, OEM/compatible preference, quantity, shipping ZIP, urgency, and PO/RFQ number.
- **Customer output:** “We will verify compatibility, availability, lead time, and price and send a formal quote.”
- **Internal workflow:** SolidPath confirms the correct product, prepares pricing, and sends a formal quote by email.
- **Do not publish distributor invoices** or private supplier documentation on the public website or in the standard vendor packet.

Suggested website copy:

“Need toner or supplies for a specific printer? Submit your printer model, cartridge number, and quantity. We will verify fit, availability, and current pricing, then send a formal quote for approval.”

The separate fillable Product & Pricing Request Form included with this packet can be emailed to customers or converted into a web form.

Placeholder: W-9 Attachment

Attach the signed IRS Form W-9 behind this page before sending the vendor packet to customers that require tax documentation for vendor setup.

**W-9 NOT INCLUDED IN
UPLOADED FILES**

Action: add signed W-9 before sending this
packet externally.

Placeholder: SAM.gov Active Registration Record

Attach a current SAM.gov active registration record or screenshot behind this page. The UEI document supplied for this packet confirms the UEI number but states that the entity did not have a full SAM.gov registration at the time that document was generated. Since SAM.gov is now fully registered per your instruction, use a current SAM.gov download/screenshot rather than the older UEI-only record.

Recommended proof to attach: SAM.gov entity registration summary showing Legal Business Name, UEI, status/active registration, CAGE code if issued, and expiration/renewal information.

Appendices

The following official documents are appended for vendor verification. Customer-facing summary pages avoid static pricing, distributor invoices, and unnecessary SDVOSB effective-date language. Official documents are left unaltered.

All SBA Programs send such notices to the business' email address listed in its MySBA Profile. If the business fails to respond to these notices, SBA will propose the business for decertification or termination, and may subsequently decertify or terminate it from participation in SBA Programs. Therefore, it is critical that you keep the business' SAM.gov and MySBA profiles current, including listing an active email address for contacting the business, and check your email's SPAM folder to make sure that you are receiving emails from SBA.
